In addition to sound Scriptural teaching, Catherine also shares from her own extensive personal experience as a Christian leader. Over the last 15 years she has worked alongside many churches and ministries in varying capacities including overseeing churches and ministries; developing and outworking strategy/vision at local, national and international levels for prayer, worship, evangelism, church planting and discipleship as well as leadership development in church and conference settings and in the market place. This series has already received excellent feedback from Church leaders, who have been encouraged and strengthened through reading. The first volume in the series, Mobilisation and Management - A Study in the Life of Moses is a succinct creative analysis in the life of an inspirational leader of the Christian faith: Moses, a servant leader with a Kingdom mission and mind set.
