Author and psychotherapist Alexandra Kennedy transports us to the edge of ordinary consciousness. Through her eyes, we realize the interconnectedness of all things in a spider s web, experience the devastating grandeur of a hurricane, revel in the antics of shoes in a department store, and enjoy an extraordinary ordinary ride down Main Street.As we read these offerings, we feel the pulse and heartbeat of the mystery that lives in us all, and we taste Alexandra s view of the essential stillness and joy that is everywhere around us.
