To-day I have additional satisfaction in meeting and giving welcome to the foreign representatives assembled here, whose presence and participation in this Exposition have contributed in so marked a degree to its interest and success. To the Commissioners of the Dominion of Canada and the British Colonies, the French Colonies, the republics of Mexico and of Central and South America, and the Commissioners of Cuba and Porto Rico, who share with us in this undertaking, we give the hand of fellowship, and felicitate with them upon the triumphs of art, science, education and manufacture, which the old has bequeathed to the new century. Expositions are the time-keepers of progress. They record the world s advancement. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
