REPUTATION: A NETWORK INTERPRETATION (HARDBACK)

Oxford University Press Inc, United States, 2009. Hardback. Book Condition: New. 230 x 156 mm. Language: English . Brand New Book. This book argues that a network interpretation of reputation advances our understanding of an essential and inescapable feature of social life and integrates many of its varied facets. Reputation is a dispersed phenomenon that is to be found in the beliefs and assertions of an extensive number of other individuals. Reputation is part of the environment but uniquely referenced...

Reviews

The publication is easy in read better to understand. It is writter in basic words and phrases rather than hard to understand. You wont truly feel monotony at anytime of your respective time (that's what catalogues are for about if you question me).
