Deepening the research material revealed an inexhaustible source of folk music heritage in which tradition to this day, despite the narrowing of some parts of musical practice, as well as the musical repertoire, still proudly defy the challenges of modern living. Methodological framework of the book covers the retrospective of the historical development of Kodzadzik, musical tradition, and traditional ceremonies through music segment. In the empirical qualitative research was also used a visual material in order to stress visual dimension of internal narration as a material artifact and proof of its autonomy. 60 pp. Englisch.
