All Sorts of Sorts: Word Sorts That Reinforce Spelling and Phonetic Patterns (Paperback)

By Sheron Brown

Teaching Resource Center, United States, 2008. Paperback. Book Condition: New. 274 x 213 mm. Language: English . Brand New Book ***** Print on Demand *****.The 155 Sorts in this book provide word study practice for students in large group, small group, individual, and learning center settings. They offer a multi-sensory experience in which students manipulate and categorize words by specific features or sound parts: initial and final consonants, short and long vowel patterns, high frequency phonograms, vowel digraphs and diphthongs, common blends and endings, and sound-alikes such as gn and kn. There are also some fun word meaning sorts such as has wheels and does not have wheels. Instructions are provided for presenting open, closed, speed, blind, and writing sorts. Blank word sort masters are also included so you and your students can design your own sorting activities.

Reviews

This is actually the very best publication i have read through till now. It is definitely simplistic but unexpected situations in the 50 % in the pdf. You can expect to like just how the article writer compose this pdf.

The most effective publication i at any time read. We have study and i am sure that i will likely to read yet again once again in the foreseeable future. You will not truly feel monotony at anytime of your time (that's what catalogs are for about in the event you request me).
