

The Cloud Forest

By Peter Matthiessen

Vintage Publishing. Paperback. Book Condition: new. BRAND NEW, The Cloud Forest, Peter Matthiessen, Peter Mattiessen has long been known for his travels to some of the remotest lands on earth, most notably recorded in The Snow Leopard. The Cloud Forest brings to vivid life a South American journey that took him from the Sargasso Sea to the jungles of Amazonia, from the Inca city of Machu Picchu high in the Andes to the bleak rocks of Tierra del Fuego and the winds and vast skies of Patagonia. The result is an incisive and marvellously well-observed journal by a born writer and naturalist, a voyage of exploration among the people, places and fading wildlife of this most exotic and mysterious of continents.

Reviews

Great electronic book and useful one. It can be writter in straightforward terms rather than difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- ***Kian Harber***

Very useful to all category of men and women. I actually have study and i also am certain that i am going to going to read through again once more down the road. Its been written in an exceptionally simple way and is particularly only soon after i finished reading this publication by which basically altered me, modify the way in my opinion.
