Createspace, United States, 2014. Paperback. Book Condition: New. 216 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.EUROPEAN UNION AT A GLANCE published on Europa Day 2014 presents an easily understandable overview of 30 selected indicators over 28 EU countries in the time perspective, being probably the most condensed summary picture of disparities and dynamics in the EU over many domains over time. It features innovative table-graphs for visual presentation of the 30 selected indicators over 28 countries in time, on the one hand, and selection of indicators from many domains in the spirit of Beyond GDP initiatives, on the other, from databases of many Eurostat indicators systems. The 30 time matrices give rich food for thought and imaginative readers can find numerous comparisons and stories in the material. It is very useful for discussion of the situation in the EU in light of the forthcoming new European Commission and European Parliament and at the occasion of the 10th Anniversary of the largest EU expansion in 2004. An important point relates to the multidimensional nature of development and well-being, especially in relation to the effects of the world financial crisis. Media and official organizations focus...
