Brand New Book ***** Print on Demand *****.Enjoy this satirical parody on the Supernatural War! In the heart of contemporary London, two comedic millennials, Adam and Ayn, are sleuths embroiled in solving the riddle of a harrowing murder mystery. Little do they suspect that they are under the chilling adversarial microscope of the Supernatural War s Watchers (corporate demons in the global cabal). On this mad eurosceptic escapade through the streets of modern London, Adam and Ayn, as a Daredevil Duo, endeavor to save the EU from utter ruin under an international trade Treaty, risking life and limb. Adam s worst fears about the dark side are soon realized and it is suddenly his responsibility to beat the antagonist to the next devastating punch--not merely to save the endangered life of Ayn but also to save the very future and integrity of Europe! This is a riveting international mystery thriller, simultaneously bone-chilling and amusing, about angels and demons and their perspective on the humans in the Supernatural War--set against the intriguing backdrop of humanity s desperate bid for the future of freedom and democracy. A fast-moving and insightful (but delightfully entertaining) cosmopolitan murder mystery novel that is guaranteed to grip your attention.
