The Divine Law of Beneficence (Classic Reprint) (Paperback)

By Parsons Cooke

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Divine Law of Beneficence I. God s Design In Requiring Beneficence. God is not dependent on us for the support of his poor. He could have so diffused the gifts of his providence as to have had no poor. Or he could so have fitted our frames to the world, and the world to them, that all the elements of human life and comfort would have been as abundant and free as air and water, so that, like the lilies of the field, the whole human race might meet every want without toil or spinning; and he might have published his gospel to every creature without our aid. He might have made his angels, in another sense, ministering spirits, sent forth to minister to the heirs of salvation. Or he might have written out the whole on the face of the heavens, and made them in a higher sense declare the glory of God; and made it in a higher sense true, that their line is gone out through all the earth. He does...
