By Thomas Radford

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Observations on the Caesarean Section and on Other Obstetric Operations: With an Appendix of Cases The Caesarean section is not an operation of recent date; its performance is recorded before obstetric medicine and surgery were scientifically accepted (vide Edinburgh Medical and Surgical Journal, vol. xxv), and has since been generally recognised in most of the modern systems of obstetricy. Although this is the fact, yet it has not received the unanimous approval of the members of our profession. From a very early date it has had its advocates and its opponents. To my knowledge, there has been no subject connected with medicine which has created more bitterness of feeling and animosity in the minds of those who may be classed as Caesareanists and anti-Caesareanists. In no city or town in these empires have these repugnant and unprofessional feelings existed to a greater extent than in Manchester. The important but rancorous controversy which took place here between Dr. Hull and Mr. Simmons brought the greater part of the medical profession to entertain more clear and definite...
