Brand New Book ***** Print on Demand *****.Excerpt from Early History of Maine Haven: Fair Haven, Lynden, Eden Lake and Paynesville The farmer-stockman can not afford to do without this feed. The temporarily larger profits that might be derived from overgrazing would soon be offset by the somev hat more moderate but continued profits accrued from a stable stock industry in which the lands are grazed on the basis of a sustained yield. If instead of grazing merely one canyon beyond its carrying capacity the entire forest unit, and, indeed, all forest land of irregular topography throughout the West were likewise grazed, untold injury to farm land and other property from destructive erosion and floods would result, a sustained stream flow would no longer exist on the watersheds, and there would be neither a normal supply of water for the irrigation of the adjoining farm lands nor of forage for the live stock on the extensive forest ranges. Without these productive elevated range lands upon which to summer the stock, homes on many farms could no longer be maintained; and it would not be...
