He was too young to serve in World War II but just the right age for the Korean War. When on the first day of his high school senior year in 1949 Frank Blake chose a Spanish class instead of a French class, he didnt know his choice would take him asa secret agent to the backwaters of Central America. There Cold War tensions had deadly consequences hidden from the public attention Americans regularly gave to events in Europe and Asia. The following year Frank passes the deferment test that enables him to stay in college until graduation in 1954, upon whichhe joins the army. After basic training he is posted to thecounterintelligence schoolin Baltimore and then to Panam where he meets Julia, an enigmatic Radcliffe graduate he thinks works for the embassy. When hesassigned to a team for a clandestine operationthats...
