Brand New Book ***** Print on Demand *****.Excerpt from Report of Joint Special Committee on the Eastern Avenue The Joint Special Committee, to whom was referred the subject of constructing a new Avenue to South Boston, submit the following Report. The Committee have given to this subject an unusual amount of investigation, on account of the importance of the subject, the number and respectability of the petitioners, and the favorable recommendations of the committees of former City Councils. The further we have proceeded in our investigation the more have we been satisfied that the construction of a direct avenue from some central portion of the City to so extensive a territory as the South Boston peninsula, will be of great pecuniary benefit to the City, and that the public exigencies demand its speedy completion. Being satisfied that, from the necessity of the case, such an avenue must eventually be built by the City, and that the sooner it is built the more speedy will the City receive its attendant benefits, your Committee have had less hesitancy in recommending an immediate commencement of the work, from a consideration which will be fully appreciated by the City Government and by the citizens at large.
