CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 108 pages. Dimensions: 9.0in. x 6.0in. x 0.2in.This book was written for Christians, but non-Christians will also profit. The purpose is to explain the biblical doctrine of sexual morality, particularly as it concerns homosexuality, and exhort Christians to practice the biblical morality God requires of his saved people: steadfast in tolerance, faith, practice, and giving the gospel of salvation. The Christian problem with sexual immorality in general, and with homosexuality in particular, is not the practice of these things by others. The circumstance of living in the world means the Christian by necessity tolerates sin in non-believers. The Christians problem is when he or she accepts or approves the cultural values that accept, approveand may even positively encouragesexually immoral practices. Some Christians have decided to obey men rather than God. By the end of this book you should know Gods values, principles and precepts concerning sexual morality. You should know that the Old Testament precepts prohibiting sexual immorality remain in force today, and why. You should know that Old Testament moral standards are repeated in the New Testament. You should understand how sexual morality applies to yourself and to others. You should know your godly duty toward yourself and others concerning sexual morality. This item ships from La Vergne,TN.
