Arthur H. Clark Company, United States, 2015. Hardback. Book Condition: New. 236 x 157 mm. Language: English . Brand New Book. As more motorists ventured forth, such travel became a curiosity and, within a few decades, commonplace. For aspiring western travelers, automobiles formed an integral part of their search for new experiences and destinations and like explorers and thrill seekers from earlier ages, these adventurers kept records of their experiences. They chart routes through wild landscapes, explain the finer points of driving coast to coast in a Franklin, and occasionally prescribe touring outfits. Blodgett s engaging introductions to the volume and each piece couch the writers commentaries within their time. As reports of the region s challenges and pleasures stirred interest and spurred travel, the burgeoning flow of traffic would eventually and forever alter the western landscape and the westering motorist s experience. The...
