# QI: Advanced Banter

By John Lloyd, John Mitchinson, Stephen Fry

Faber & Faber. Paperback. Book Condition: new. BRAND NEW, QI: Advanced Banter, John Lloyd, John Mitchinson, Stephen Fry, Have you ever wondered why most books of quotations are stuffed full of rather pedestrian quotes by people you've never heard of? It's a shame because a really good quotation book, one which gathered the truest and funniest insights of the best minds, and organised them into 250 subjects, from ambition to worry, (or from artichokes to woodpeckers), a book which offered you a useful take on almost every situation life throws at you (from the death of your child's hamster to the unified theory of everything), a sourcebook of wise one-loners, of knock-out jokes, of drole asides and heartfelt statements of truth and beauty, a practical handbook of interestingness, well, that would be worth having. And, guess what? Those thoughtful gentlemen at QI have come up with one. Five years of learning how to avoid the dull stuff have left the QI team in a uniquely good position to deliver this elusive holy grail: the big, useful, funny and really very good book of quotations.

*The publication is straightforward in study better to fully grasp. It is definitely simplistic but excitement inside the 50 percent of your publication. It is extremely difficult to leave it before concluding, once you begin to read the book.*
