Brand New Book ***** Print on Demand *****.Change is vital to having a successful life because change is about keeping an open mind and realizing that the universe moves forward with each day and that we as human beings must follow suit. As we are connected to all energy, we need to understand the importance of moving forward in life. Have you heard the term, forward thinker ? A forward thinker is a person who is not limited by any boundaries and can think beyond constraints. This person looks towards a bright future and thinks of things that have not been thought of ever before. In this book, you will be able to learn about the power of your mind, the eleven forgotten laws of the universe, and the way to use these revelations so that your life improves over 100 percent. Do not hesitate a second longer, start exploring yourself and the world you live in to reach your full potential and to starting living the life you have always desired.
