Createspace, United States, 2012. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.In this book H. G. Moser presents 228 haiku written over several decades and derived from journeys in locales ranging from Montana and the West Coast to Alaska, Mexico, and Japan. A trip to Japan in 1982 provided the opportunity to study the works of the great Japanese haiku poets--Basho, Buson, Issa, and Shiki. Conversations with the renowned fisheries biologist, Dr. Kouichi Kawaguchi, led to a deep appreciation of these revered poets and the process of writing haiku. Although Japanese haiku may not be fully perceived without a knowledge of the language, attempts to write haiku in English can be rewarding. The format of three lines of five-seven-five syllables, inspired by momentary experiences in nature, may provide insights of a kind expressed in Wordsworth s and Dickinson s nature poems. In these, as in haiku, the natural world resonates with the inner life of the poet.
