Atria Books, United States, 2016. Paperback. Book Condition: New. Revised edition. 234 x 155 mm. Language: English . Brand New Book. You ll find everything you need to know about being Jewish in this indispensable, revised and updated guide to the religious traditions, everyday practices, philosophical beliefs, and historical foundations of Judaism. What happens at a synagogue service? What are the rules for keeping kosher? How do I light the Hanukah candles? What is in the Hebrew Bible? What do the Jewish holidays signify? What should I be teaching my children about being Jewish? With the first edition of Essential Judaism, George Robinson offered the world the accessible compendium that he sought when he rediscovered his Jewish identity as an adult. In his ambitious and all-inclusive (New York Times Book Review) guide, Robinson illuminates the Jewish life cycle at every stage and lays out many fascinating aspects of the religion-the Kabbalah and Jewish mysticism, the evolution of Hasidism, and much more-while keeping a firm focus on the different paths to living a good Jewish life in today s world. Now, a decade and a half later, Robinson has updated this valuable introductory text with information on topics including denominational shifts, same-sex marriage, the intermarriage debate, transgender Jews, the growth of anti-Semitism, and the changing role of women in worship, along with many other hotly debated topics in the contemporary Jewish world and beyond. The perfect gift for a Bar/Bat Mitzvah or anyone thinking about conversion-this is the ultimate companion for anyone interested in learning more about Judaism, the kind of book its readers will revisit over and over for years to come.
