Brand New Book ***** Print on Demand *****.A sweet and steamy Lonesome Point Novella by New York Times Bestselling author Jessie Evans One voice can save a life; one heart can bring you home. Ross Dyer is ready to give up on love. The sweet, sleepy-eyed cowboy has always danced to the tune of a different drummer, but after being dumped by his latest girlfriend, he s beginning to think he ll spend his life dancing--and sleeping--alone. Add in the impending failure of his newly opened restaurant, due to a smear campaign being waged by his childhood nemesis, and Ross doesn t have much reason to care if the armadillo sees his shadow on Armadillo Day. Whether Lonesome Point has six more weeks of winter or not, his life forecast is looking more foul than fair. And then she comes home and nothing is the same again. Fourteen years ago, Elodie Prince was a scared little girl who was neglected at home and bullied at school. In her dark world, the only light was a sweet boy everyone called Ugly Ross, who, to her, was always beautiful. When she returns to Lonesome Point to find her childhood friend has grown into a man as handsome as he is kind, she can t help falling in love. Elodie and Ross dive head first into Happily Ever After, but find their future threatened by a vicious blast from the past. Because some bullies never grow up, they only grow meaner, and more determined to snuff out the lights of the things that shine.
