Then he proves his story by changing into a wolf before her eyes. Human contact never interested John Walker, but his mission is desperate. The pack seer insists Sherrie is the only one who can save his people from a rash of mysterious comas. His connection with Sherrie is instant, powerful and beyond rational explanation. And then a third piece of the puzzle enters the picture. Grant Perron follows his instincts only to find his prize in the hands of his rival. He s poised for battle-until he learns his panther shifter clan suffers the same fate as John s pack. But there s more. And channel her new-found power before a villain uses it to destroy them all.
