Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This book is compiled from the records maintained by the American Battle Monuments Commission (ABMC) of servicemen and women killed or missing since April 6th 1917. The ABMC lists over 218,000 names of dead and missing service personnel. Of these just over 8,900 (4.1) are to be found at the Cambridge American Cemetery. The book is divided into sections that contain details of the location within the cemetery of the service personnel who were one of two or less of their particular service rank or were only members of a unit who lost their lives. Every life lost as a result of military service is a tragedy for the family and friends of the individual, and this book does not seek to imply that those listed here are any more deserving of memory than those not selected.
