Genesis Alive LLC, United States, 2015. Paperback. Book Condition: New. 229 x 155 mm. Language: English . Brand New Book ***** Print on Demand *****.Description The Flood of Noah was a true event impacting the spiritual, historical and scientific realms of mankind. The Noah Code promises to shed new interpretive light on the Genesis account from both the Bible and science. Covering a number of late-breaking yet little known discoveries, this work promises to be an enlightening read and a challenge to modern origins thought. Overview From the Himalayas to the Andes, and South Africa to Antarctica, scientists agree that the remains of a past cataclysm are found everywhere. In this new book, The Noah Code, author Mark Rose sets out to reveal the truth about these finds and much more. A compilation of over 35 years of study and field research, Rose logically and honestly set the record straight about the Flood as recorded in Genesis in easy to understand terms. His conclusions are shocking. Noah Code speaks a new and exciting message into the Flood account as recorded in Genesis. This volume provides a concise overview of the original Hebrew text, and further seeks to unravel the true character of this man called Noah. For those of faith, Noah Code provides a refreshing look at evidence a century missing, as well as shocking late breaking finds from science. For the curious or skeptic, the volume will likely shake their faith in institutional science and geology, bringing new respect for views once thought religious or scientifically backward. The appendix boasts an excellent compilation of evidence both new and old, including contributions by the founders of science such as Cuvier, Woodworth, Dana, Howorth and even Darwin. Included are scientific finds of modern times, sure to lift many an eyebrow. Back...
