Brand New Book ***** Print on Demand *****.Brule Snuggleson resides in Southern California with his owner, Arlene. His past-times are sunbathing, chatting with the neighborhood cats (dishing the dirt), watching Black Bart, the squirrels and possums run by his door, chasing innocent moths and then devouring them, and playing with assorted insects. His challenges are being scared, running and hiding from the neighborhood court kitty, Gypsy, and trying to find a place to run when his owner s son barrels through the house. Brule likes garlic chicken and smoked turkey, but his favorite food is big, fat moths, which he eats rarely, because they don t fly into his house that often; he considers them equivalent to sushi, but crunchier.
