God Part of the Brain (Paperback)

By Matthew Alper

Sourcebooks, Inc, United States, 2009. Paperback. Book Condition: New. 198 x 140 mm. Language: English . Brand New Book. Is Man the product of a God.or is God the product of human evolution? From the dawn of our species, every human culture-no matter how isolated-has believed in some form of a spiritual realm. According to author Matthew Alper, this is no mere coincidence but rather due to the fact that humans, as a species, are genetically predisposed to believe in the universal concepts of a god, a soul and an afterlife. This instinct to believe is the result of an evolutionary adaptation-a coping mechanism-that emerged in our species to help us survive our unique and otherwise debilitating awareness of death.Spiritual seekers and atheists alike will be compelled and transformed by Matthew Alper s classic study of science and religion. The God Part of the Brain has gained critical acclaim from some of the world s leading scientists, secular humanists, and theologians, and is as a must read for anyone who has pondered the question of God s existence, as well as the meaning of our own.Praise for The God Part of the Brain This cult classic in many ways parallels...
