"Police detective Harry Lyon is a perfectionist who like his condo immaculate, his suits well tailored, and his homicide files typed error-free. To Harry's dismay, his partner, Connie Gulliver, embraces chaos, urging him to 'get in touch with the rhythms of destruction.' But when Harry and Connie have to kill in the line of duty, the ensuing surreal nightmare makes Connie's cynical world view seem all too accurate. That same afternoon, a hulking street person prophesies that Harry will be dead by dawn, then self-destructs before his eyes. As twilight falls, Harry glimpses strange creatures in the shadows, and finds his rational world transformed into a place of bizarre surprises and unimaginable dangers. As dawn ticks closer, Harry is caught in a whirlwind of terror that threatens to sweep away not only him but Connie and everyone he loves."
