AFRICAN AMERICANS AND STANDARDIZED TESTS: THE REAL REASON FOR LOW TEST SCORES

DOWNLOAD

African American Images. Paperback. Book Condition: new. BRAND NEW, African Americans and Standardized Tests: The Real Reason for Low Test Scores, Veda Jairrels, With a surprisingly honest and hard-hitting approach, this scathing indictment of the modern black family postulates that a lack of appreciation for literacy in the African American household is the true cause of low scores on today's standardised tests. Arguing that television, video games, rap music, and sports are all distractions from much-needed study time, the discussion stresses the significance of literacy in a child's future and the importance of parental involvement toward shaping that future. In an educational climate where most of the blame for a child's poor performance is placed upon the teachers, the curricula, and the social structure of the schools, this book ultimately places the responsibility back in the hands of the family and offers them suggestions for improvement.
