iUniverse, United States, 2011. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.THE ENIGMA is based on true life murder and its resultant court-marshal whose outcome challenges credibility. When a soldier is found murdered in Texas, two lesbian lovers who were with her on the night of her death are arrested. The one who actually did the crime accepts a plea deal to testify against her lover, an Army Specialist who sees herself as a man trapped in a woman s body. She now must prove her innocence. While centering of a crime of passion with secrets, betrayals, and the legal battle, the book tells the story of a unique and complicated individual whose life situation ties into controversial, contemporary social issues. The ENIGMA is a riddle wrapped in a mystery inside the enigma reference. It s a murder (riddle) for a curious reason (the mystery) allegedly by an extraordinary complex individual (the enigma). Based on a true story, the real-life participants are painted as vividly as those who inhibit a fictional page-turner. The depth of character exploration, sociological observations, and military ways and means is stellar.
