The country of America has become both the land of the free loaders and the home of the criminal brave hearts. Spending American taxpayers money on the Federal welfare program and more Federal education hurts the US economy and the US Americans. Then, the highly educated politician gets his power and starts telling his people where to live, what to build, and what business can open or close, where his cash is sent for training, educating, and providing jobs and healthcare into his pocket for his family unit and social friends. So, there exists a social injustice for the taxpayers,...
