Who Takes Britain to War? (Paperback)

Filesize: 3.2 MB

Reviews

This book will never be straightforward to start on looking at but extremely exciting to read. I actually have read through and that i am sure that i am going to gonna go through once more again in the future. I am happy to explain how this is the very best book i have read through in my individual lifestyle and may be he best publication for at any time.

The History Press Ltd, United Kingdom, 2015. Paperback. Book Condition: New. 196 x 130 mm. Language: English . Brand New Book. The long-standing parliamentary convention known as the Royal Prerogative has always allowed Prime Ministers to take the country to war without any formal approval by Parliament. The dramatic vote against any military strike on Syria on 29 August 2013 blew that convention wide open, and risks hampering Great Britain s role as a force for good in the world in the future. Will MPs ever vote for war? Perhaps not - and this book proposes a radical solution to the resulting national emasculation. By writing the theory of a Just War (its causes, conduct and ending) into law, Parliament would allow the Prime Minister to act without hindrance, thanks not to a Royal Prerogative, but to a parliamentary one.
