Airless Spaces (Paperback)

By Shulamith Firestone

Semiotext(e), United States, 1998. Paperback. Book Condition: New. 176 x 114 mm. Language: English . Brand New Book. In 1970, at the age of twenty-five, Shulamith Firestone wrote and published The Dialectic of Sex, immediately becoming a classic of second wave feminism across the world to this very day. It was one of the few books that dared to look at how radical feminism could and should shape the future; and one whose predictions (the cybernetic revolution, for example) proved startlingly prescient of issues today.Published by Semiotext(e) in 1998, Airless Spaces, Firestone s first work of fiction, is a collection of short stories written by Firestone as she found herself drifting from the professional career path she d been on and into what she describes as a new airless space. These deadpan stories, set among the disappeared and darkened sectors of New York City, are about losers who fall prey to an increasingly bureaucratized poverty and find themselves in an out of (mental) hospitals. But what gives characters such as SCUM-Manifesto author Valerie Solanas their depth and charge, is their the small crises that trigger an awareness that they re in trouble.Some time later, after I had moved to St....
