Audible Studios on Brilliance, United States, 2016. CD-Audio. Book Condition: New. Unabridged. 171 x 133 mm. Language: English . Brand New. How acting a little crazy and thinking outside of the box can get you the job you want. Ever hear of a job candidate stretching out on the interviewer s floor to fill out an application? Or an applicant who sees nothing wrong with texting during the interview? Securing a job interview is a golden opportunity. The crazy-bad behavior described above will not net a job offer. Crazy Good Interviewing explains that crazy-good behavior, however, can make an applicant stand out favorably in a sea of mediocrity. Take the candidate who created a keynote presentation on his iPad to show what he could bring to the job or the one who created a DVD highlighting her abilities. Crazy Good Interviewing is a book geared toward those who are looking for work in this tough economy. This book: Addresses how slightly eccentric behaviors can tip the scales in the applicant s favor Delves into how to access your three key strengths, how to use body language effectively, how to prepare a five-sentence history that builds a bridge to the interviewer, and more Turn just plain crazy into crazy-good, and land the job at your next interview.
