My Life as a Side Effect (Paperback)

By Milissa Deitz

Random House Australia, Australia, 2004. Paperback. Book Condition: New. 193 x 127 mm. Language: N/A. Brand New Book. Depression is not a passive activity, it s exhausting. It s a pervasive and relentless despair, 24 hours a day, seven days a week. The World Health Organisation forecasts that by 2020 depression will be the second largest illness after heart disease. It is estimated that 10 of the Australian population will suffer a mental illness at some time in their lives. My Life As A Side Effect aims to define depression, overthrow stereotypes, and demistify and destigmatise it. Depression is an ongoing illness that requires understanding and treatment in the same way that diabetes does. Mental illness shouldn t be a valid excuse for anything and everything, but it can be unpredictable and debilitating and therefore knowledge and awareness will make the world a happier and easier place for all involved. Many people and their friends, family and colleagues don t know where or how to get help. This book will point them in the right direction and bring them understanding. My Life As A Side Effectis a loose diary of Milissa s depression and the journey to conquering / managing...

Reviews

An extremely great ebook with lucid and perfect explanations. It is full of knowledge and wisdom Its been printed in an exceedingly straightforward way in fact it is merely right after i finished reading through this publication by which really transformed me, alter the way i believe.

-- ***Spencer Fritsch***

Without doubt, this is the very best operate by any writer. This is for all those who statte that there was not a well worth reading through. I discovered this pdf from my dad and i suggested this book to find out.
